Ennis Regional Medical Center takes great pride in its partnership with the City of Ennis and surrounding areas. For more than six decades, we've brought hope and healing to generations and continue to do so today, thanks in part to you and your continued support of our hospital.

As this report details, we strive to be more than just your hospital.

We are also one of the area's largest employers and taxpayers. We give back to the region through community involvement that includes contributions and volunteerism. And we provide a significant amount of charitable care to those who cannot otherwise afford it.

On behalf of our team, thank you for your support of Ennis Regional Medical Center and for partnering with us to advance the health of the community we call home.

Sincerely,  
Mark Massey, CFO  
Ennis Regional Medical Center

## 2023 Success Spotlight

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. In 2023, we added three providers in Family Practice and General Surgery.

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. Last year, we spent more than \$300,000 in capital improvements, including a new industrial air conditioning unit, a digital radiography system, a blood bank refrigerator and several new defibrillators.

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

In 2023, we provided more than \$22 million in services to those in need of healthcare services but without the means to pay.

We are proud to be a leader in the Ennis area, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
